THE CADILLAC XTS
EAGLE KINGSLEY®

CADILLAC
PROFESSIONAL VEHICLES
BY EAGLE COACH COMPANY

THE CADILLAC XTS
EAGLE
KINGSLEY®

The Kingsley continues as the industry's best value.

Built on the Cadillac XTS coachbuilder's chassis, the XTS Kingsley model is both beautiful and functional. It features a full vinyl top, chrome coach lamps and landau bars, and 50-inch rear side doors.

Inside the coach you'll find tasteful and functional interior trim, along with a new standard Extend-a-Sill, a large casket compartment, and much more.

The Eagle XTS Kingsley is ideally positioned for the funeral director that requires elegance at a cost-effective price.

A beautifully-appointed casket area offers clean, sophisticated lines with new color palette offerings that will appeal to the most discerning tastes.

The Eagle Kingsley features a table extension which allows the casket to be loaded and unloaded without damage to the coach or casket.

An OPTIONAL Urn Enclose allows your funeral vehicle to be used for cremations as well as traditional services (An OPTIONAL portable Urn Enclose is shown).

A new bier pin storage enclosure in the Kingsley's wide opening casket door is both elegant and functional.

The Kingsley boasts a refreshed and updated interior. New for 2017 is the Extend-a-Sill for easier casket loading and additional protection for the rear of the coach.
