to OEM Floor Latch**

**Installation Time of Less  
Than 2 Minutes**

## You Spoke, We Listened

With joint work of our Engineering and Van Divisions we have developed a NEW Dual Cot Mate for the Dodge Caravan that is sure to fit all of your vehicle's needs. This 48" wide and 90" long table has been tested and holds a Wheel Caster Rating of 1200 lbs. At a weight of only 88lbs., grab handles on each side and a carpeted bumper protector this table can be utilized with ease. The newly designed Cot Mate allows multi-purpose use of your vehicle by leaving Stow 'n Go® seating in place for when the Cot Mate is not in use.
