

Service Bulletin: #18-001

Date: February 27, 2018

To: All SVG Dealers

Item/Issue: 2000-2005 DTS Cadillac lower control arm bushings

Models Affected: All DTS Coaches & Limo Models 2000 - 2005

Many dealers and owners of 2000 – 2005 DTS Cadillac professional vehicles are being faced with the fact that GM discontinued production of the front lower control arm bushings. These bushings are now being reproduced by a company so these vehicles can be repaired properly and kept in service. See information below. **YOU MUST SPECIFY BUSHINGS FOR A FE7 SUSPENSION TO GET CORRECT PARTS FOR HEARSE OR LIMO**
